

## ESTEQ Forum Cape Town 2009

## Agenda

6 November 2009

Registration 08:00 – 09:00

### Technology Management Session

<b>09:00</b>	Welcoming
<b>09:00</b>	Engineered for Performance
<b>09:40</b>	ESTEQ Overview & Product Life Cycle Management
<b>10:15</b>	Integrated Design through Simulation, Tooling & Manufacture (NX)

10:45 – 11:10 *Coffee/Tea Break*

### PLM Track Session

<b>11:10</b>	Next Generation Design – Synchronous Technology & Industrial Design
<b>11:50</b>	Next Generation Design – Re-use of Engineering Knowledge: Product Template Studio, Scrap book modeling & Manufacturing

### Simulation Test & Measurement Track

<b>11:10</b>	MSC Enterprise Solutions
<b>11:50</b>	Fluid flow & Heat transfer simulation (EFD Lab & Flovent)

12:30 – 13:30 *Lunch*

### PLM Track Session

<b>13:30</b>	Engineering Process Management Product Data Management, Change Management (Configuration Management) & Project Execution
<b>14:10</b>	Systems Engineering – Requirement Management & High Definition 3D Visual Reporting

### Simulation Test & Measurement Track

<b>13:30</b>	Analysis & Optimization of Thermal Fluid Systems (Flownex)
<b>14:10</b>	Test & Measurement

14:50 – 15:15 *Coffee/Tea Break*

### PLM Track Session

<b>15:15</b>	CAD Integrated Simulation & Simulation Data Management
--------------	--

### Simulation Test & Measurement Track

<b>15:15</b>	iSight – Automation & Optimization
--------------	------------------------------------

16:00 *Networking Social*
